PAST EVENTS

Out of the shadows program Cohort #7, Singapore

Females in Mass Spectrometry (FeMS) successfully hosted the **7th cohort of the Out of the Shadows (OTS) Leadership Development Program in Singapore!** This empowering event brought together a diverse group of professionals for a day of insightful discussions, collaboration, and personal growth. With the **guidance of Executive Coach Prof. Hwee Hoon Tan**, participants explored strategies for leveraging their strengths, building strategic networks, and enhancing their leadership presence.

The event also featured an **inspiring panel discussion with three outstanding female leaders—Michelle Hill, PhD, Rachel Watson, and Yue Wan—who shared invaluable insights on leadership, career growth, and resilience.** Their words of wisdom, along with reflections from participants, highlighted the power of women supporting one another in both personal and professional journeys.
